

A New Choice in CSPs

Aester Limited is thrilled to announce its inception as Bermuda's newest Corporate Service Provider.

Located at 73 Front Street, 3rd Floor, Hamilton, Bermuda, Aester is committed to prioritising your business, ensuring sustained success through meticulous attention to detail and bespoke services.

Aester has been co-founded by Sharon A. Beesley, the Managing Partner of BeesMont Law Limited and a well-known figure in corporate law, and Tim Calveley, a seasoned corporate executive and entrepreneur.

Services

Specialising in detailed and responsive client service, Aester offers a comprehensive suite of corporate services including:

- Incorporation and organisation of companies including LLCs and ISACs.
- Provision of registered offices for Bermuda and offshore entities.
- Establishment and maintenance of essential statutory records.
- Coordination of statutory, board and committee meetings along with requisite facilities.
- Maintenance of financials / management accounts, contracts and legal documentation.
- Facilitation of compliance with Bermuda's Anti-Money Laundering and Anti-Terrorist Financing laws.

The newest member of the BeesMont Group of Companies, our affiliation with BeesMont Law Limited and BeesMont Consultancy Limited enriches our offerings and grants client access to a wealth of legal experience in areas such as Corporate and Commercial law, Funds, Mergers and Acquisitions, Data Protection, Technology and Innovation, Contentious Disputes and Property.

We invite you to explore a partnership that brings unparalleled value and service. Contact us today -
